## 1 DIN Car DVD Player "Soundwave" - 7 Inch Flip Out Screen, Detachable Front Panel, GPS

Product code: CVAU-C106-2GEN

1 DIN car DVD player with a high resolution 7 inch flip out screen, a detachable front panel, and car GPS navigation for getting the best bang for your buck from a car multimedia system.

Welcome to the "Soundwave" 1 DIN car DVD player with a flip out 7 inch display. The "Soundwave" comes with multiple features allowing the user to watch DVDs and digital media, as well as locating their desired destination with the built-in GPS.

Being a 1 DIN car entertainment system with a 7 inch flip out screen, the

"Soundwave" gives you the screen size of a 2 DIN car DVD player while still saving space on your car's center console. After installation, it comes alive when the combination of sound, video, GPS, and more that is easily accessed over the 7 inch display.

The "Soundwave" car multimedia system also has a removable front panel, so you can take it with you to prevent any unwanted car break-ins and stereo theft. Not only is this an anti- theft device but it is also a full in-car DVD and digital media entertainment system, allowing you to play all the almost any digital formats as well as DVDs or CDs. With AV OUT, you can connect this 1 DIN Player to other LCD screens (such as headrest monitors in your car) for sharing the media currently playing. You can even directly connect your phones via Bluetooth for streaming music from your phone or slip in an SD card to the SD card reader to play back almost any media and file types.
